- 3 Norton Cloud Backup, Norton SafeCam, Norton Family, and Norton Parental Control features are not supported on Mac Windows 10 in S mode, and Windows running on ARM processor).
- 4 Norton Family and Norton Parental Control can only be installed and used on a child's Windows PC, iOS and Android devices but not all features are available on all platforms. Parents can monitor and manage their child's activities from any device – Windows PC, Mac, iOS and Android – via our mobile apps, or by signing into their account at my.Norton.com and selecting Parental Control via any browser.
- 5 Locking or unlocking your credit file does not affect your credit score and does not stop all companies and agencies from pulling your credit file. The credit lock on your TransUnion file will be unlocked if your subscription is downgraded or cancelled.
- The LifeLock alert network includes a variety of product features and data sources. Although it is very extensive, our network does not cover all transactions at all businesses, so you might not receive a LifeLock alert in every single case.
- <sup>a</sup> The LifeLock Benefit Junior plan is for minors under the age of 18. LifeLock enrollment is limited to employees and their eligible dependents. Eligible dependents must live within the employee's household, or be financially dependent on employee. LifeLock services will only be provided after receipt and applicable verification of certain information about you and each family member. Please refer to employer group for the required information under your plan. In the event you do not complete the enrollment process for any family member, those individuals will not receive LifeLock services, but you will continue to be charged the full amount of the monthly membership selected until you cancel or modify your plan at your employer's nepon enrollment period, which may be annually. Please note that we will NOT refund or credit you for any period of time during which we are unable to provide LifeLock services to any family member on your plan after your benefit effective date due to your failure to submit the information necessary to complete enrollment. If you do not complete the enrollment process for each family member, you may continue to pay more for LifeLock services than you otherwise would if you had selected a lower tier plan.
